RESOLVED, that **this permit is conditioned** in accordance with the recommendations of the Town Engineer and Building Inspector as follows:

1. Fill shall consist of hard clay, stones, or broken concrete. No building demolition material such as wood, asphalt shingles, asbestos tiles, etc. are permitted.
2. The applicant should also be aware that if he intends to build on any filled area, bore samples along with a structural engineer's report will be required prior to the issuance of a building permit.
3. Height of fill shall be limited to grades as shown on prior approved development plans and grade stakes for the fill area shall be provided.
4. Filled area to be top soiled, seeded and graded upon completion.
5. Access to the site shall be controlled to prevent unauthorized dumping of non-permitted material.
6. Mud from truck tires shall be cleaned off the road at the completion of operations for that day and more frequently if deemed necessary. The Town of Lancaster police shall stop operation immediately upon complaint of dirty road.

7. Existing drainage through the site shall be maintained.
8. Dumping will be allowed between the hours of 7:00 AM and 5:00 PM, Monday through Saturday. No dumping shall be allowed on Sunday.
9. Dust from the site shall also be prevented from migrating off site.
10. Temporary swales and/or ditches shall be established during filling to prevent ponding water.
11. Existing trees and stumps in proposed fill areas shall be removed from the site and disposed of properly.

and.

BE IT FURTHER

RESOLVED, that no building permit for the construction of any structure on the SBL premises upon which this dumping permit is issued shall be approved by the Town Building Inspector until such time as the Building Inspector certifies in writing to the Town Board that the conditions enumerated in this resolution have been fully complied with, and

BE IT FURTHER
